A NIGHT IN MONTE CARLO- MARCH 2ND

Are you tired of this winter weather? Would you like to escape away to a warm climate?

Well, how about a Night in Monte Carlo?!

Come join us on Saturday, March 2nd at the Club to enjoy a night of casino games (black

jack, roulette, craps and money wheel), participate in our silent and live auction as we have secured REALLY awesome items or come out to restock your wine inventory by participating in our "wine grab bag". Happy hour will be from 5-6 pm with casino games being played 6-8:30 pm and silent/live auctions to follow. The money raised from these special events will help secure additional funds for the pool's operational expenses. If you aren't interested in supporting the pool please still come out and support Wahkonsa through enjoying our food and drink specials along with socializing with one another after a very long winter!! Please watch for more details!!!!

VENDOR BENDER

CART SHEDS

This season we have received numerous requests from members looking for cart sheds and we have not been able to give a quick or accurate answer to these requests. The past few seasons we have attempted to gather cart shed information and have done a poor job at either collecting the information for inputting the information into a data base. However, this is going to change this year!

We are creating a master list and map that will hang in the club house, but we need YOUR help to populate this list! A copy of the map with the information we have gathered to date is below. If you know your shed number and your name does not appear on the map, please email the shed number to m.j.finck@gmail.com. We will also be placing a reminder note on shed doors that are not accounted for. Thank you in advance for your assistance!
