HANDICAP SYSTEM

Members who desire to use the Wahkonsa handicap system to establish a club golf handicap pay \$3.00. You can pay at the clubhouse and we will get you added to the system. Once you are in the system you simply look up your name in the computer, select the tee you played from and add your score. The system is updated every couple of weeks to calculate the players handicap using the exact same methodology the USGA uses.

GROUNDS REPORT

We are experiencing issues with tiling on holes 6, 7 and 9. Repairs are expected to take place in the next week, weather permitting.

The Ladies League will be updating the 2 large beds off of the clubhouse. If you would like to volunteer, please contact Jamie Vitek.

Note from Loren:

Grounds would like to give a big round of applause to these volunteers for their help on spring clean-up day, the wind event after that, and other various projects going on!!! I think it was refreshing to everyone on spring clean-up day to see the Durant Boys golf team participate, you're doing it right COACH!!!! We need some youngsters in there with the oldsters!!!

Kenny Lincoln, Donna & Arnie Kempf, Keith, Kathy Richman and grandson Royce, Joe Akers, Gary Hubler, Carol Garner, Nick Dohrmann, Casey Strub, and golf team, Kirk, Mikki Trede and kids, Jamie Vitek, Kim Dahlstrom, Deb Carter, Pat Doty, Larry Morgan, Dave & Lynn Frett and Kathy Reynolds.

Sincere apologies if we missed anyone!

The ash tree removal project is going along as planned—23 trees removed, stumps ground, stump holes backfilled with dirt donated by Needham Excavating, THANKS NEEDHAMS!!!! Now we will till, seed and flag these areas soon. Then this fall we will repeat the process of removal on an equal number of trees.

I would like to announce that Lynn Frett has accepted the responsibility as chairman of the newly formed tree committee. It will be a subcommittee to grounds. So it's like I cut em down and she plants em!!! That's a lot of work for 1 girl!!!! So if anyone wishes to help her out contact her at dlfrett4@netwtc.net

Thanks,
Loren
