NOTE FROM GROUNDS

It's that time of year for some disruptive maintenance activities such as aeration, verticutting, ash tree removal, tree planting, tree trimming Etc. And also create a Waterway through the course! All we need is some dry weather and we're going to go for it your patience is appreciated! Thanks Loren

NOTE FROM TREE COMMITTEE

The Wahkonsa Tree Committee would like to thank Jeff and Jamie Vitek, The Men's Association, The Women's Association and Dave and Lynn Frett for their generous donations for the replacement of the Ash trees that the course has recently lost. The committee anticipates 6-10 trees will be planted this fall. If any member would like to make a donation to the Wahkonsa tree fund or would like to purchase a tree in memory of a loved one, you may contact a committee member for a list of approved tree species that can be purchased. Committee members are Loren and Kathy Reynolds, Neil and Sue Petersen, Terrie Lincoln and Dave and Lynn Frett. We anticipate the removal of the remaining ash trees will take place this fall. The process of tree replacement will be an on-going endeavor. Thank you for your support.

NOTE FROM BOARD OF DIRECTORS

As reminder, please be courteous those around you and follow golf etiquette. Wahkonsa takes pride in Member camaraderie on and off the course, and we strive to generate a welcoming atmosphere. As the season winds down, we look forward to your continued support in the 2020 season!
