Current board members whose terms expire 10/21:

Running for election to the board this year for a two-year term:

Tyler Brummel, Rick Lindsay, Maria Olsen, Travis Prohaska and Justin Timmerman

Tyler Brummel:

My name is Tyler Brummel. This will be my wife Amanda and I's 4th year as members at Wahkonsa. Next year we will join as a family of 4. Harper, our 8 year old, has taken an interest in golf and enjoys golfing with us. She has even started golf lessons this year. Avyn, our 4 year old, enjoys riding in the cart. We have made a lot of new friends through our membership at Wahkonsa and look forward to the future and making more memories.

I just finished my first two year term on the Board for Wahkonsa Country Club. I want to run for a second term because I enjoyed learning all of the behind the scenes work that goes into running the club. If I am elected to a second term, I feel I will have more valuable input with my current understanding of how the club works. I look forward to a second term and making decisions to make the club the most successful we can.

Rick Lindsay:

I want to officially submit my interest in running for one of Wahkonsa's board openings. Tara and I have been Wahkonsa members for over 13 years. I have served on the board previously and really did enjoy my time volunteering. I am in a position in which I can volunteer more of my time and talents to Wahkonsa especially as I look to retire in the next year.

In my leadership position at West Liberty Foods (for the past 20 years) I really understand what it takes to run a successful business. I understand the importance of researching and making sound business decisions.

Currently, I am an active member and visibly present at the club. I feel to be an effective board member you must be very involved. I am committed to positively contributing to the growth of Wahkonsa.

Your consideration of placing me on this year's ballot is much appreciated.

Maria Olsen:

My name is Maria Olsen, I've been a member since 2018. I have been part of the Ladies League the last two seasons, I have had the pleasure of getting to know some wonderful ladies. My husband, Jeremy very much enjoys his Thursdays at the club. Our 3 kids have also been enjoying playing the course, Robert is planning to play for the school the coming Spring.

Maria Olsen (continued):

I have been a Board member since 2018 and look forward to serving our Club Members for another term! I have been the Chair of the Social committee and we had successful new Social events to the line up and hope to add more, when possible. I have come to love the club and course and look forward to many more years of growing the house and golf course! Thank you to those who have served and helped out in any way and to those who have brainstormed with me to fulfill our members' wants. I hope to help bring additional options to club members at the clubhouse and offer other opportunities more than golf, where we can make Wahkonsa Country Club a 'go to' family location. See you out there!

Travis Prohaska:

My name is Travis Prohaska. I grew up in Durant and have been a member at Wahkonsa for right around 25 years. Growing up a good chunk of my summers were spent out at Wahkonsa, whether in the pool or on the course.

I have had the opportunity to serve on the Board of Directors for two separate terms in the past as the Golf chair.

We have a great nine-hole course here in an awesome community. I have a 3 year old son, who I would love to see grow up and learn the game on this same course. Being a part of the board is my way to contribute to that future.

Justin Timmerman:

Hello, my name is Justin Timmerman if you do not know me, and I have been a member at Wahkonsa Country Club since 2013. My family is from New Liberty, IA where we grew up as Members of 3/30 Country Club in Lowden, IA. I graduated from Durant, which is where I now reside and how I came to be a Member here.

Golf has been an important part of my life, and I want Wahkonsa to provide the same value to kids as it does to me. The club brings people together from multiple communities through the game of golf which I will make sure continues. I have made a lot of friends through this game, and it is critical to keep that going with more Members at a wonderful club like ours.

For the past four years I have served on the Board of Directors as Golf Chair, House Chair, various committees and most recently as President. I would like to run for the Board once again to contribute to a successful future. I have been proud to be a Board Member that supports such a great community and would like to continue to do so with your support.
